Attendees: None

Zoom attendees: Alvina/Frank Day, Dickie Perreault, Cristin Perreault, Cindy Walker, Steve, Terri Vaughn, Whit Lucy, Ada Lane, Linda Pestilli, Cindy Willets/Mitch Dondero, Vinny Lanovera, Terry Egan

6:00pm the Public Hearing was opened by Chair, William Flynn.

Erik read Article 2, requesting a pay raise for the Public Works Department to better align with competitors in our area, to be able to acquire and maintain qualified help. Contracting out winter maintenance was also discussed if we are unable to maintain a full PW crew.

Linda Pestilli suggested not as significant of a raise due to the benefits that are offered.

Mitch Dondero suggested using a range based on experience, with a 3-month performance review.

Terri Vaughn asked if a 3% raise would be asked for at the annual town meeting if this article passed; the board responded no.

Alvina/Frank Day asked if winter maintenance was contracted out, would this amount still be necessary. They also asked if overtime pay was included in this amount; the board responded yes.

Vinny Lanovera asked if the ad had been placed in the Shoppers Guide. Erik responded no, as we have always had the best luck with the Conway Daily Sun, but will begin in the Shoppers Guide.

Erik read Article 3, asking for the license and application fees to be used to offset the additional legal fees for the Planning Board and CEO salary.

6:40pm Erik motioned to adjourn the meeting; seconded by Ricky. Vote 3-0-0.

Respectfully submitted,
Megan Witt
