Cemeteries – Erik suggested that the Board hires an outside contractor to do spring cleanup for the cemeteries; he suggested \$1,500 to cover spring cleanup and then we can get quotes for regular season maintenance. He stated that the Town is responsible for maintaining veteran's graves which is not currently being done. Bill suggested that the Board discuss further and make a decision at the next meeting.

Payroll Sheets – Megan will work on the format of the payroll sheets and submit to the Board for approval.

Flags – Bill stated that the Board previously voted to have the flags on the telephone poles removed for the winter season. Megan will reach out to Public Works to get them taken down.
