

TOWN OF BROWNFIELD

Public Hearing February 17, 2021

Selectmen in Attendance: William Flynn, Erik Walker, Ricky Emery

Attendees: Sonia Frye, Dickie Perreault

Zoom attendees: Whit Lucy, Cindy Walker, Vinny Lanovera, Lenny Jean, Paul Duquette, Ada Lane, Lisa Hebert

6:02pm the Public Hearing was opened by Chair, William Flynn.

Erik read Article 02 from the warrant regarding Public Works pay raises.

Vinny Lanovera broke down the wages to include the town paid benefits for the director and employees, and said that when broken down the increase is more reasonable.

Erik read Article 03 from the warrant regarding using the Marijuana Establishment application and licensing fees to offset CEO salary and Planning Board legal expenses.

Vinny asked if the funds could be put in the general fund instead. Erik stated that the increased need for both CEO hours and PB legal expenses are going to increase, so they would like to see the money brought in from the fees used to offset the costs. Erik said that both the revenue and expenses would have their own accounts for monitoring purposes.

6:17pm Erik motioned to adjourn the hearing; seconded by Ricky. Vote 3-0-0.

Respectfully submitted,
Megan Witt
