Q25 The lack of high speed internet/access to fiber optic networks was listed as a major concern in our last town survey. There is a Broadband Committee currently working on this issue. Have you completed the Broadband Committee’s survey and taken the speed test at the bottom of their survey page? The speed test will show how much we are lacking in internet speed and the data will be helpful in making a good case to qualify the town for a grant. PLEASE take this simple step to help us get the internet speed we need!
