Public Works Department – Cliff reports that he and Buddy went up to the turn around on Pease Ln where they were told they could not be there; it was private property. Cliff will look into prices for a replacement truck for the F-550.

Broadband Committee – Patrick stated that he would be at the Transfer Station this weekend, passing out information on what the committee is about. He asked if Bill or Ricky would be able to attend the Zoom meeting tomorrow evening, as they have reached out to Dick several times via phone and email and gotten no response; Ricky agreed to attend.

Fryeburg Fair Week – Bill stated that he spoke with Michelle about her concerns with the office being open during fair week, including safety issues. Megan will post on the website and place an ad in the Shoppers Guide.
