**FOAA** – Ricky stated that recently an individual has been submitting multiple FOAA requests per week, which is hindering the ability for people to do their regular job duties. Ricky stated that some of these requests are duplicate requests after being told the document does not exist. Dick asked about offering 1 hour of FOAA time/month; Ricky disagreed stating that people should be able to access the information they want, if it exists. Bill asked what the resolution should be; Ricky stated that the Board should be kept involved so they know what is being asked of the Town employees.

**Valley Pride Day** – Bill asked Willy if they could have a table at the Community Center on May 7<sup>th</sup> to pass out bags. We will ask North Conway Incinerator for a roll off container to be placed at the BCC. An ad will be posted in the Shoppers Guide.

**Cemetery Clean Up Day** – Erik and Megan had originally planned with Jess Davis to do the cleanup day on May 8<sup>th</sup> – but it is Mother's Day; the new day will be May 1<sup>st</sup>.

**Microchip Scanner** – Bill motioned to allow Cindy (ACO) to spend up to \$300 from admin supplies for a microchip scanner to be used on Brownfield animals only; seconded by Dick. Vote 3-0-0.

**Broadband Committee** – Bill asked if any of the members of the Board would be able to attend the next meeting on April 11<sup>th</sup>; Ricky responded that he would attend.

**Fire Station-** Dickie reports that the RPF is going out tomorrow; he asked Megan if she would be able to post to the MMA website. He stated there are grants available to apply for that would help offset the cost of building.

**Transfer Station** – Dickie reports that there is a foul, urine odor in the first floor at the transfer station. There are holes where an animal has dug under the building. Cindy will place some have-a-hart traps.

6:09pm Dick motioned to adjourn the meeting; seconded by Ricky. Vote 3-0-0.

Respectfully submitted,
