5:30pm the meeting was called to order by Chair, William Flynn.

Chipping – Bill asked why we are paying for chipping when we own a chipper. Erik stated that finding extra help would be difficult. Ricky stated that it was his understanding that we could not store chips at the TS. Bill said with the board's approval, he will contact Mark King from the DEP to invite him to a future meeting to answer questions regarding what can be done at the transfer station regarding chips and composting.

AgriCycle – Bill stated that Winslow is launching a food scrap recycling program with AgriCycle that they are reporting will save them \$150/ton.

Write-in Candidates – Michelle presented the Board with an article that would require a write-in candidate to declare themselves. MMA said that the verbiage had to align with the state language; Michelle will work on it in hopes to get it in this year's warrant so that it can be in effect for next year.

Alcohol Sales – Megan received a letter from the Division of Liquor Licensing and Enforcement regarding liquor sales votes from 1960-70's and whether the new legislation would affect liquor sales in our town. This will need more research before a decision can be made.

Maine Recycling Week – Bill stated that it will be held later in the year, October or November. He will update the Board when more information is available.
