**Vincent Carbone** – Vincent began expressing his concerns – when 10 minutes had lapsed, Bill stated that he was out of time. Vincent said that he was not aware that he was on a time limit. Leah addressed Vincent and his concerns regarding his first amendment rights and suggested the Board give him an additional 10 minutes to speak. Vincent read his concerns regarding a code of ethics, permaculture, the community center and freedom of speech. There was dialogue between the Board and Vincent; the conversation became unruly, Ricky asked Vincent to leave and he did not, so Ricky called the Oxford County Sheriffs to have him removed.

(\***Disclaimer** – 7/28 Vincent presented Megan with a list of his items that he wanted to be placed in the meeting minutes which were as follows:

1) code of ethics 2) permaculture 3) community center 4) freedom of speech 5) procedures for community events 6) A list of your selectmen's issues with me 7) Resolution! #1 Tuesdays are community outreach day

Items 5-7 were never discussed at the meeting)

**Bank Update** – Erik's name will be replaced with Dick's on the Bangor Savings account.

**GA Report** – Megan reports in 2021 second quarter there was 1 GA application processed for one applicant and \$764 of emergency GA was granted.

which is a requirement of sub-contractors for the Town. Dick suggested Public Works do the mowing, as they used to. Bill stated they would speak to PW at next week's meeting.
