**Cornhill Road** – Gary Mort presented his case over an issue that he has with the path that Cornhill Road takes and he feels it is illegally going through his property. Residents were in attendance to state that they have been taking the same road and in the same direction, in and out for years. Bill did not see it as a town issue but a state one and declined to allow further comment on the matter.

**Comprehensive Plan** – Joe Egan presented a request for materials to the board to cover costs associated with the production of the plan. Included was the Adobe programs that Deb uses for layout and printing. Previously the committee had been budgeted \$500 but they did not request that it be rolled over so the unused monies were reabsorbed into the general fund. Bill made the motion to cover costs up to \$400 and Rick seconded. 3-0-0

**Loud Dogs** – Lisa Hebert came in to complain about her neighbors' dogs and stated that they are often allowed to roam free and come in her yard and bother her grandchildren and their dog. Cindy Eaton said that the last complaint had been over 6 moths previous and that Lisa would need to document each and every event preferably with pictures for a DA to rule in her favor moving forward. Cindy also stated that the neighbor is going to install a fence to keep his dogs on his property. He does have a long existing kennel license.

**Rec Update-** Willy announced that the new water heater was installed and operating. He also requested the purchase of new dock floats and produced a quote to purchase what he needed. Rick made the motion to purchase the dock out of the swim reserve account with Dick second on the vote. 3-0-0 and up to the amount of \$3744.00 There are currently 48 in the program.

**TRIO-** Rick told Deb to enroll herself in a Trio class ASAP to help with town functions which rely on the program.

6:25 PM Dick motioned to adjourn the meeting seconded by Rick. Vote 3-0-0.

Respectfully submitted,
