DATE OF PERMIT: \_\_\_\_\_

\_\_\_\_\_  
Name of Permittee (Property Owner)

\_\_\_\_\_  
Mailing Address State Zip Code

\_\_\_\_\_  
Street Address (if different from above)

You are hereby granted permission to grade and construct, in accordance with the attached plan, an entrance(s) to your property on the \_\_\_\_\_ (North, South, East or West) side of \_\_\_\_\_ (Local Road Name), in the town of Brownfield, County of Oxford, at a point about \_\_\_\_\_ (feet) from \_\_\_\_\_ (nearest Town line, intersecting road, street or stream) subject to the Rules and Regulations made by the PW Director dated \_\_\_\_\_ and subject to the following conditions listed.

**The following information pertains to the location of the requested entrance(s):**

**THIS PERMIT IS GRANTED ON CONDITION THAT THE APPLICANT:**

- (1) Landowners are required to call Dig Safe before starting any excavation work. Their phone number is 888-344-7233. If Landowner fails to contact Dig Safe and wires are damaged, then Landowner can be fined up to \$5,000 from the utility company involved.
- (2) Shall provide, erect and maintain all necessary barricades, lights, warning signs and other devices to safeguard traffic properly while the work is in progress.
- (3) Shall at no time cause the highway to be closed to traffic.
- (4) Shall, where the driveway is located in a curb, curb and gutter, and/or sidewalk section, completely remove the existing curb, curb and gutter and/or sidewalk and replace with standard concrete or granite driveway return, and replace such curb, curb and gutter, and/or sidewalk as may be required.
- (5) Shall in all cases notify the Public Works Director at least twenty-four (24) hours before starting work on the driveway.
- (6) Shall construct and maintain said driveway approach in accordance with Maine DOT Bureau of Highways Rules and Regulations therefore, and with the attached sketch.
- (7) Shall pay for any culverts and/or other drainage structures which may be necessary for drainage, the size, type and length of culverts and size and type of other incidental structures to be as recommended by the Public Works Director. Future maintenance on the culvert and/or ditch will be the Town's responsibility.

IT IS A FURTHER CONDITION OF THIS PERMIT, to which applicant agrees by accepting the same, that applicant shall well and truly pay all damages, fines and penalties for which he shall become liable, and shall save harmless and indemnify said Town against all suits, claims, damages and proceedings of every kind arising out of the construction and maintenance of said driveway approach, including snow removal. It is a further condition that the applicant will agree to keep the right of way inviolate for public highway purposes and no signs (other than traffic signs and signals), posters, billboards, roadside stands or other private installations shall be permitted within the Right of Way Limits.
